

CPYL Youth League

## **Video Recording Policy**

### **Section 1: Video of Games**

- a. Video of games is permitted under certain circumstances
  - a. The video must be recorded by someone affiliated with the home or visiting team
  - b. The video is used to share with family and friends of the participating teams
  - c. The video must be recorded without any impediment to the game being played
- b. A board member has the right to question any recording or live stream of any game
  - a. If the board member finds the recording or live stream to contradict the parameters set out, the recording/streaming must immediately halt

### **Section 2: Video from the air**

- a. Drones are specifically banned from CPYL during practice or play
- b. Recording from an unauthorized aerial device is not allowed on CPYL property

### **Section 3: Unauthorized Taking of Video**

- a. Unauthorized videoing of officials, fans or other individuals is strictly prohibited and is considered harassment or abuse and may result in possible suspension and removal from the premises.

### **Section 4: Consequence**

- a. If you are caught making an unauthorized video or live stream, you will be removed from CPYL and will be banned from all games on that day and the following game day
- b. If you are caught making an unauthorized video or live stream a second time, you will be removed from CPYL and banned from attending CPYL events for the remainder of the season, including playoffs
- c. If you are caught making an unauthorized video or live stream a third time, you will be removed from CPYL and banned from attending CPYL events for life
