PARENT & MANAGER ACKNOWLEDGEMENT

As a parent, I am aware of the differences between the talent and skill level of the players in the NL and AL. I have discussed this with my child's manager, and I have discussed this with my child. I understand that NL players may have a higher skill level than AL players. I am aware that certain NL teams may have a talent difference over other NL teams. I am aware that some players in the NL may be "select" or "elite" level players and that some NL teams may play in competitive tournaments outside of CPYL.

I understand that placing a lesser skilled player, which may include my child, in the NL could pose a safety issue, and that playing in the NL could be discouraging to my child throughout the season. I have been made aware of the considerations needed in order to do what is right for my child. Neither I nor my child have been forced or promised anything to sign this form.

NL parents: Knowing that these issues may exist, and that other unknown and unforeseen issues may occur, we voluntarily wish for our player to enter the NL and to play for this manager.
