

Bryan Kenney

I have lived in the Leander/Cedar Park area since 1997. I have been married to my wife, Tori, for 27 years. We have three children, two daughters who attend Rouse High School and one son, Matthew, who I coach in 12U. I currently work as a claim representative at Texas Medical Liability Trust (TMLT) supervising medical malpractice claims made against our policyholder physicians. I have been with TMLT for over 2 years now. Prior to that I worked at State Farm Insurance for about 25 years as a claim representative. I have volunteered as a manager or coach at CPYL for the past 4 years or so. Prior to that I volunteered at the YMCA coaching t-ball for several seasons.

My philosophy toward youth recreational sports was summed up best by a parent of an 8U team I managed who said I was “compassionately competitive” in my coaching style. I use my time with my players to motivate them to make sure they are doing their best every time they step on the field which I hope translates to their everyday life. I hold them accountable for their actions when needed and strive to give them opportunities to improve. It is important to me to see a player improve and enjoy the game throughout the season. Wins and losses will come and go, but the character you start building today lasts a lifetime.
