

Don Massey –

I grew up in Austin and graduated from Westwood HS. We moved back to Cedar Park in July of 2019 and jumped right in to CPYL for the fall league. My interest in serving on the board is simply to help provide the best possible “athletic” experience possible for not only my kids but everyone involved in the CPYL community.

I was a High School Athletic Director and Head Varsity Football Coach as well as coaching, Varsity Softball, Baseball, Track and Golf in my 18 years of coaching and education. During that time, I served on three state governing boards in both private and public schools during those years and continue to serve today. I no longer coach as a profession, in 2018 I left coaching and changed careers. I continue to serve on a state advisory board for athletic administrators and remain active within the profession. I am also a member of TASO, Texas Association of Sports Officials.

My career change has given me the opportunity to coach my daughters’ teams, as well as be home more with my family. It is my hope that I will be able to continue contributing to the athletic community through organizations such as CPYL by using my experiences as a coach and athletic director.

Respectfully,

Don Massey
