

Silver L. Taylor

I am a confident individual who can manage any job description or title. I am versed with many qualities such as speaking Spanish, typing ninety words a minute, and being a cognitive mentor. I'm a positive person, open minded and well rounded which makes myself perfect to handle any job. I am a perfectionist, and promises all jobs will be done with precise and critical decision making, as if it were my very own business. I attend Prince of Peace, and I am involved in "PoP Teens" a youth group for my church. I try to do my part to help the struggling youth of today by being involved as much as I can. I believe in the quote "Give a little and you shall receive a little". (Silver A. Maldonado Jr) I am a participating Rotary member and was chosen for their scholarship, when I was a Senior in high school; so I find it important to be apart of this club to say thanks. I work as a volunteer at local hospitals, and habitat for humanity to again give back to the community. I hold management of hospitality and events for my schools PTA. I host numerous charity events for cancer as I have overcome ovarian and breast cancer. I hold an annual runway ASPCA event who I partner with Maurices. I work with striving models and the need to find homes for pets through this event. I have loyal partnerships with many restaurants, department stores, and commercial big box stores. Over all I'm a leader at heart and I strive to be the best in everything I do even if its just making a simple meal for my family. Becoming a board member would bring my existing network, local business owners, and associates positive attention in more ways than one. I would be honored if chosen to be a participating board member.
