

Stephani Williams Bio

I've enjoyed serving on CPYL's Board since 2017 when I started as 10U Assistant Commissioner. Each of my three sons played at CPYL starting at 8 and 9 years old. They have moved on, but I still look forward to giving back to CPYL to help make this a place where kids can safely play and make friendships that last a lifetime. Whether it's picking up trash, cleaning out the bathrooms, or planning events, I'll help wherever I can.
