

Thomas Williams

My name is Thomas Williams. I am interested in joining CPYL Board of Directors as the 8U Assistant Commissioner. I have been an actuary for 15 years currently working in the finance department of an insurance company. My wife and I have lived in Cedar Park since 2014 where we are raising our 3 boys. Spring 2021 was our first season of baseball. With two boys playing in two different divisions, we spent a lot of time at the CPYL facilities, getting to know coaches of other teams, and forming bonds with several families. I have been looking for a community organization to become more involved in, and what better organization than our baseball home, Cedar Park Youth League Baseball. "
